

Appendix — Admission Screening Examination Schedule for October 2021 Enrollment in International Graduate Programs in Engineering  
 International Mechanical and Aerospace Engineering Course – Graduate (IMAC-G)  
 Master's Degree Program for Foreign Residents in Japan

Departments	Subjects	Date*	Description	Remarks
Mechanical Systems Engineering, Finemechanics, Robotics, Aerospace Engineering	English		Submit an original TOEFL, TOEIC or IELTS score sheet with the application form. Students, whose native tongue is considered to be English, should contact the department. Not needed for students advancing from IMAC-U Undergraduate Program.	Applicants will be informed of the detailed interview schedule individually.  August 25 will be a backup date, so leave it open.  Inquiries: Department of Systems Science and Mechanical Engineering Academic Affairs Section e-mail: <a href="mailto:imac-g@grp.tohoku.ac.jp">imac-g@grp.tohoku.ac.jp</a> Homepage: <a href="http://www.imac.mech.tohoku.ac.jp/">http://www.imac.mech.tohoku.ac.jp/</a>
	Written exam	August 24 , 2021	Mathematics (Differential and Integral Calculus, Linear Algebra, Vector Analysis, Fourier Series and Fourier Transforms, Laplace Transforms, Ordinary Differential Equations, Partial Differential Equations)  Two selective subjects from Thermodynamics, Fluid Dynamics, Strength of Materials, Dynamics of Mechanical Systems, and Control Engineering	
	Interview	August 26, 2021	Bachelor thesis, research project(s), or other equivalent exercise(s) which you undertook in your undergraduate program and research plan after enrolment.	

Appendix — Admission Screening Examination Schedule for October 2021 Enrollment in International Graduate Programs in Engineering  
 International Mechanical and Aerospace Engineering Course – Graduate (IMAC-G)  
 Doctoral Degree Program for Foreign Residents in Japan
